Foreword

We, the Senior Class of fifty-nine, have compiled this yearbook in the hope that it may serve as a report from the school to the people of this community. It has taken long hours and hard work to publish our yearbook, and we hope in the future, that it will recall pleasant and heart-warming memories. "Looking Ahead" we see a bright future for L.H.S., and we wholeheartedly hope that future years may be as happy as ours have been.

To a swell guy
good luck in the
future years at

ALMA MATER

All hail the Alma Mater

Thy sons cheer thee now

To thee Littlestown High School

All rivals must bow

Victorious forever

Thy colors dear must be

Forever, forever

They'll wave in victory.

We, the Senior Class of 1959, in looking back through the years, realize that we owe a debt of gratitude to our able class advisors, Miss Held and Mr. Evans. They have aided and guided us through these past years which have flown by all too quickly. Although Miss Held has not been present in this, our senior year, we know that she has been with us in spirit. Mr. Evans has very ably taken on the responsibility of leading us without assistance through one of the most important years of our lives. Therefore, as a Senior Class, we humbly and graciously say, "Thank You."

ADMINISTRATION

Another school year has passed into history at L.H.S. and we wish to congratulate you, the members of the Class of 1959, upon your graduation. We hope that your stay in school has been most profitable to you scholastically and socially and that it will always be a help to you in your chosen vocation and that your future accomplishments will win for you honor and respect.

It was a pleasure to have had you in our school family and, in the years to come, we urge you not to forget your Alma Mater where you will always be welcome. Best wishes are extended to you with the hope that the future will always have something good in store for you.

(Signed) Lloyd L. Stavely

To the graduation Class of 1959

The disciplined mind is what education at every level should strive to produce. The years from six to eighteen are the years in which young men and women must learn to think clearly and accurately if they are to learn to think at all. The seed must be planted at the beginning and cultivated continuously if the crop is to be ready when it is required. These intellectual abilities are required, not merely as a prerequisite for advanced study, but also and especially for intelligent participation in the private and public affairs of a world where decisions must be made on the basis of informed and accurate thinking about science, about economics, about history and politics.

(Signed) Frank E. Basehoar, Sr.

Frank E. Basehoar

The adage "Here Today, Gone Tomorrow," may well express the passing of time along this milestone of your educational experience. High school was just another one of those life markers and how far you travel depends on your individual initiative and interest. Your present advance is evidence of your desires to go forward. Then too, may you continue to grow in knowledge and understanding of life and its problems.

Accept our best wishes for your success in all your endeavors, and may the blessings of your Alma Mater go with you.

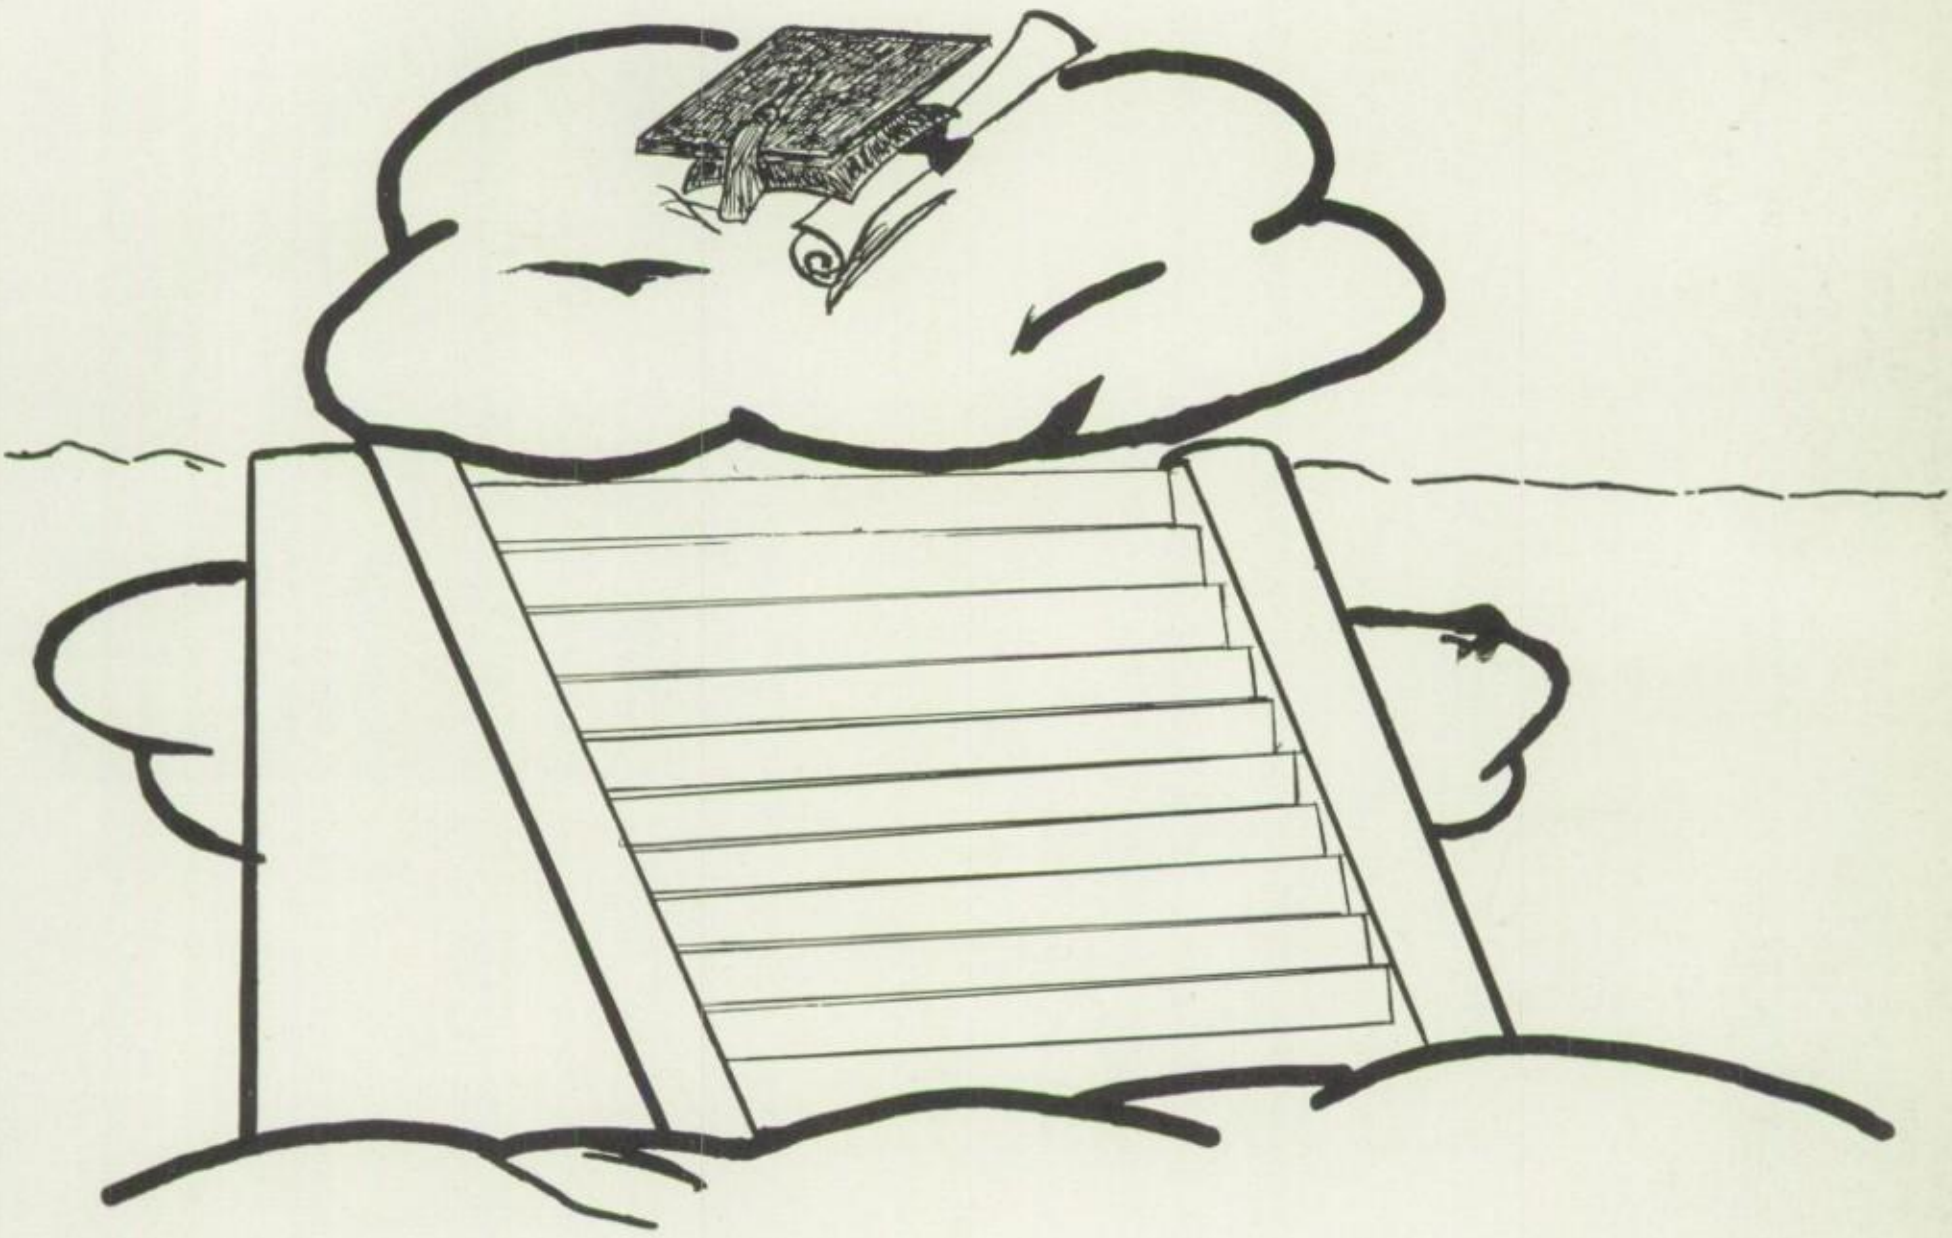
SENIORS



As we look toward graduation day, we experience a variety of emotions. To some of us, graduation is only an interlude to even greater heights which we will achieve through higher education; to others, it is the climax of their happy school years. There are no words which can express the many things that we have done here in connection with L.H.S.: the dances; the football and basketball games; band engagements; the senior play; the class trip. All this must be filed away in our hearts under memories.

Class Song

Tune: Brahms' Lullaby

by: Janice Carol Breighner

Fare thee well and good-by
Dear Littlestown High
May all the graduates go far
To reach their promised star,
Let us each do our best,
To meet our life's tests,
Let us each do our best,
To meet our life's tests.

Fare thee well and good-by
We'll not break the tie
We'll look back with pride
Knowing you'll be by our side.
We will always hold dear
Our sweet memories here,
We will always hold dear
Our sweet memories here.

Fare thee well and good-by
Our time is now nigh
To leave our best days
And all our carefree ways.
Sad farewells we must take
Though they're hard to make,
Sad farewells we must take,
Though they're hard to make.

Fare thee well and good-by
Shed no tear, have no sigh,
For life must go on
Our high school days can't return.
Fare thee well, now good-by
Dear Littlestown High,
Fare thee well, now good-by
Dear Littlestown High.

Senior Class History

The big event that all of us have looked forward to has arrived. Graduation! Four years ago this thought was but a dream. We feel they have been four very happy years, although we are saddened by the fact that our school days at L.H.S. are over.

Many memories go with us as we look for the last time, at a scant review of those four valuable years.

Term 55-56, we were known as Freshmen. An exciting and interesting year it was. We were now grouped Academic and Commercial. We received our rings, crowned Shirley Showvaker Queen of the Valentine Dance, and took a very interesting and educational trip to Hershey and Harrisburg. We took part in band, chorus, and athletics.

After a happy vacation, we returned; now known as Sophomores. We again took part in activities and enjoyed our first year in High School.

57-58. We are now Juniors. We will never forget this year, especially the all night decorating for the prom and staying up the next night half asleep to enjoy it. We received our class rings. At the close of another successful year, we realized there was but one year left.

We are now Seniors. After a struggle, we have finally earned enough money to pay all our bills. Our trip to Washington, D.C., couldn't have been better, or more interesting. The senior play, "Rebel Without A Cause," starring Judy Long, Jesse Sheely and a cast of others went over big, thanks to Mr. Trimmer and the cooperation of all the pupils. The Christmas Dance was a huge success. After exchanging pictures, autographs, and friendly vows, we realize the time to receive our diplomas is here.

As we move forward into the world to take our place as adults, we leave many thanks to our teachers for a wonderful job well done.

To our friends we say, "Best of luck, and a last farewell."

Respectfully Submitted,

Mary Jane Arentz,
Historian

"Jolly Juniors" was our name as the eighty-three members of the Class of 1960 entered the halls of L.H.S. in September, 1958. We looked forward to receiving our class rings and presenting the Prom to the Seniors. As usual, we participated in football, band, basketball, chorus, and other activities.

As Sophomores, we became senior high students eager to refer to L.H.S. as our Alma Mater.

Our Freshman year was very important. Our size was greatly increased by students from West Manheim Township. We attended the main social event, The Valentine Dance.

During seventh and eighth grades we adjusted to our new surroundings and started to take part in school activities.

In the year 1955, seventy-two students entered L.H.S. for their first year of Junior High. At the beginning of the year we were almost totally confused, but we soon became adjusted to the new ways. The year went by quickly, and we were soon out for a joyful summer vacation.

After a much needed vacation we returned to school, in 1956. This is the year we were determined to work hard and make money for the class. This is the year we sold candy and quickly we filled our treasury. This year flew by and again we were off for a vacation.

We returned to school the next fall, considering ourselves "greenie freshmen." This is the year we ordered our school rings and had a

In September 2, 1958, we entered our first year of senior high school, and were looked upon as the "silly sophomores." we attended the Christmas Dance and other activities of the school. The year came to a slow, but joyful end, and all the students are looking forward to becoming juniors this fall.

Without a Cause"

On November 21st and 22nd the senior class of L.H.S. presented "Rebel Without a Cause" which proved to be one of the most successful plays ever given at Littlestown. The story concerns a teen-ager named Jim Stark, portrayed by Jesse Sheely, who is trying to please his parents, played by Ken Hollinger and Janice Breighner, and at the same time fighting a desperate battle to avoid being like them. When he meets Judy Brown, enacted by Judy Long, he becomes involved with the gang leader, portrayed by Karl Bankert, and his followers. However Jim does find a friend in Plato, a young boy who has similar problems. Hugh Roberts was seen in the role as Plato. All in all, the plot presents a moving and touching story. Others in the cast were Mike Collins, Wayne Conover, Sam Frymyer, Judy Breighner, Mary Jane Arentz, Charles Hawk, Roberta Graham, Joyce Breighner, Jim Patterson, Dean Shorb, Jack Ketterman, Susan Strevig, Shirley Leister, Janet Sell and Pat Yingling.

Leadership, scholarship, character, and service are also qualities which are necessary to become a member of the society. All-Conference

"Ron" Crouse, senior, and "Butch" Little, junior, have been chosen this year for the Laurel League All-Conference Team. Both boys had this same award given to them last year.

In order to have this distinctive honor bestowed upon them, they had to be selected by all the coaches of the league. The coaches choose boys from teams, other than their own, solely on their defensive merits and then these players are given an offensive position on the "dream team."

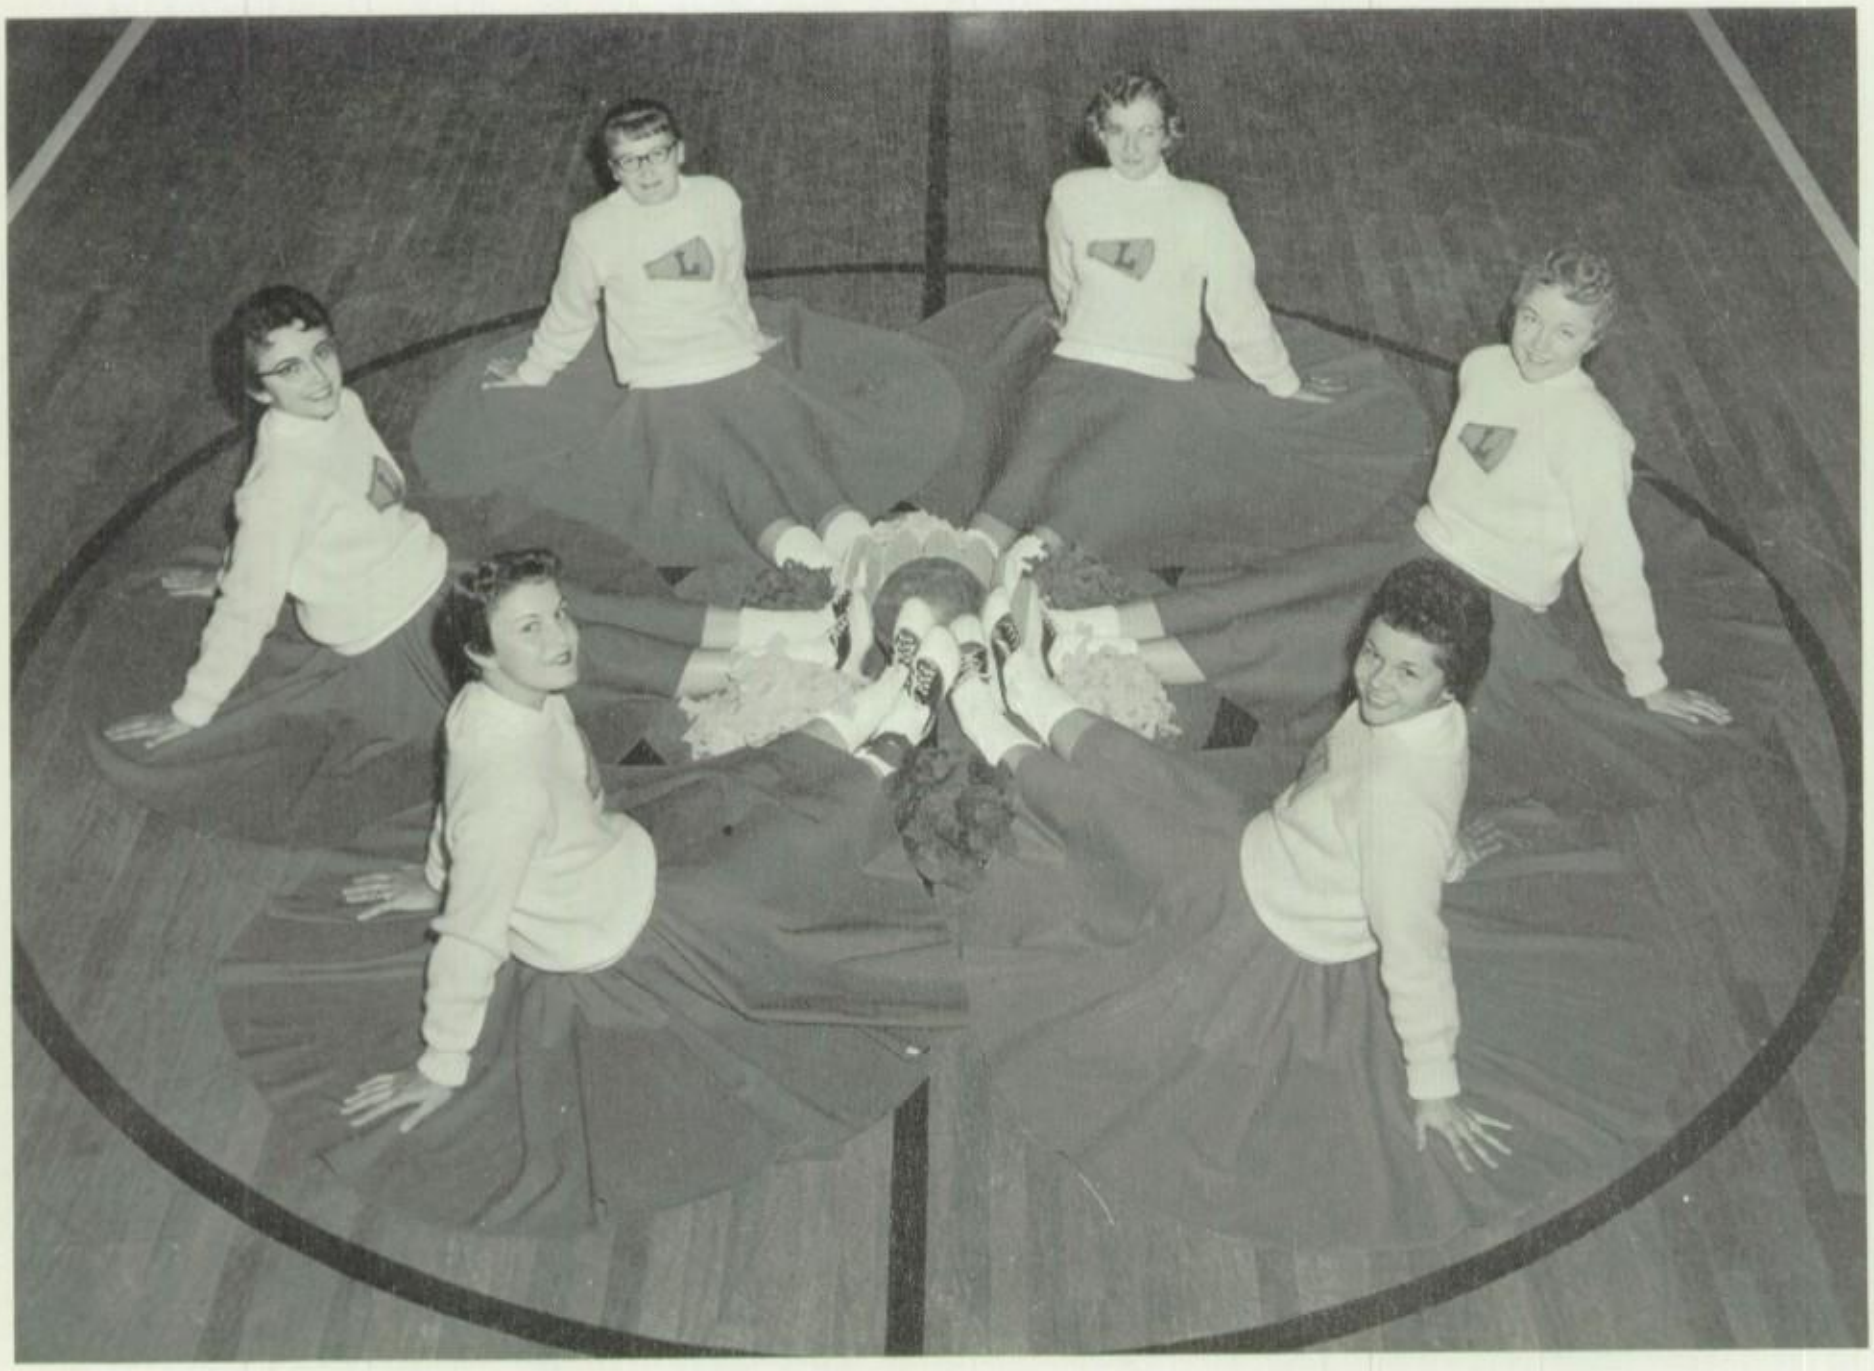
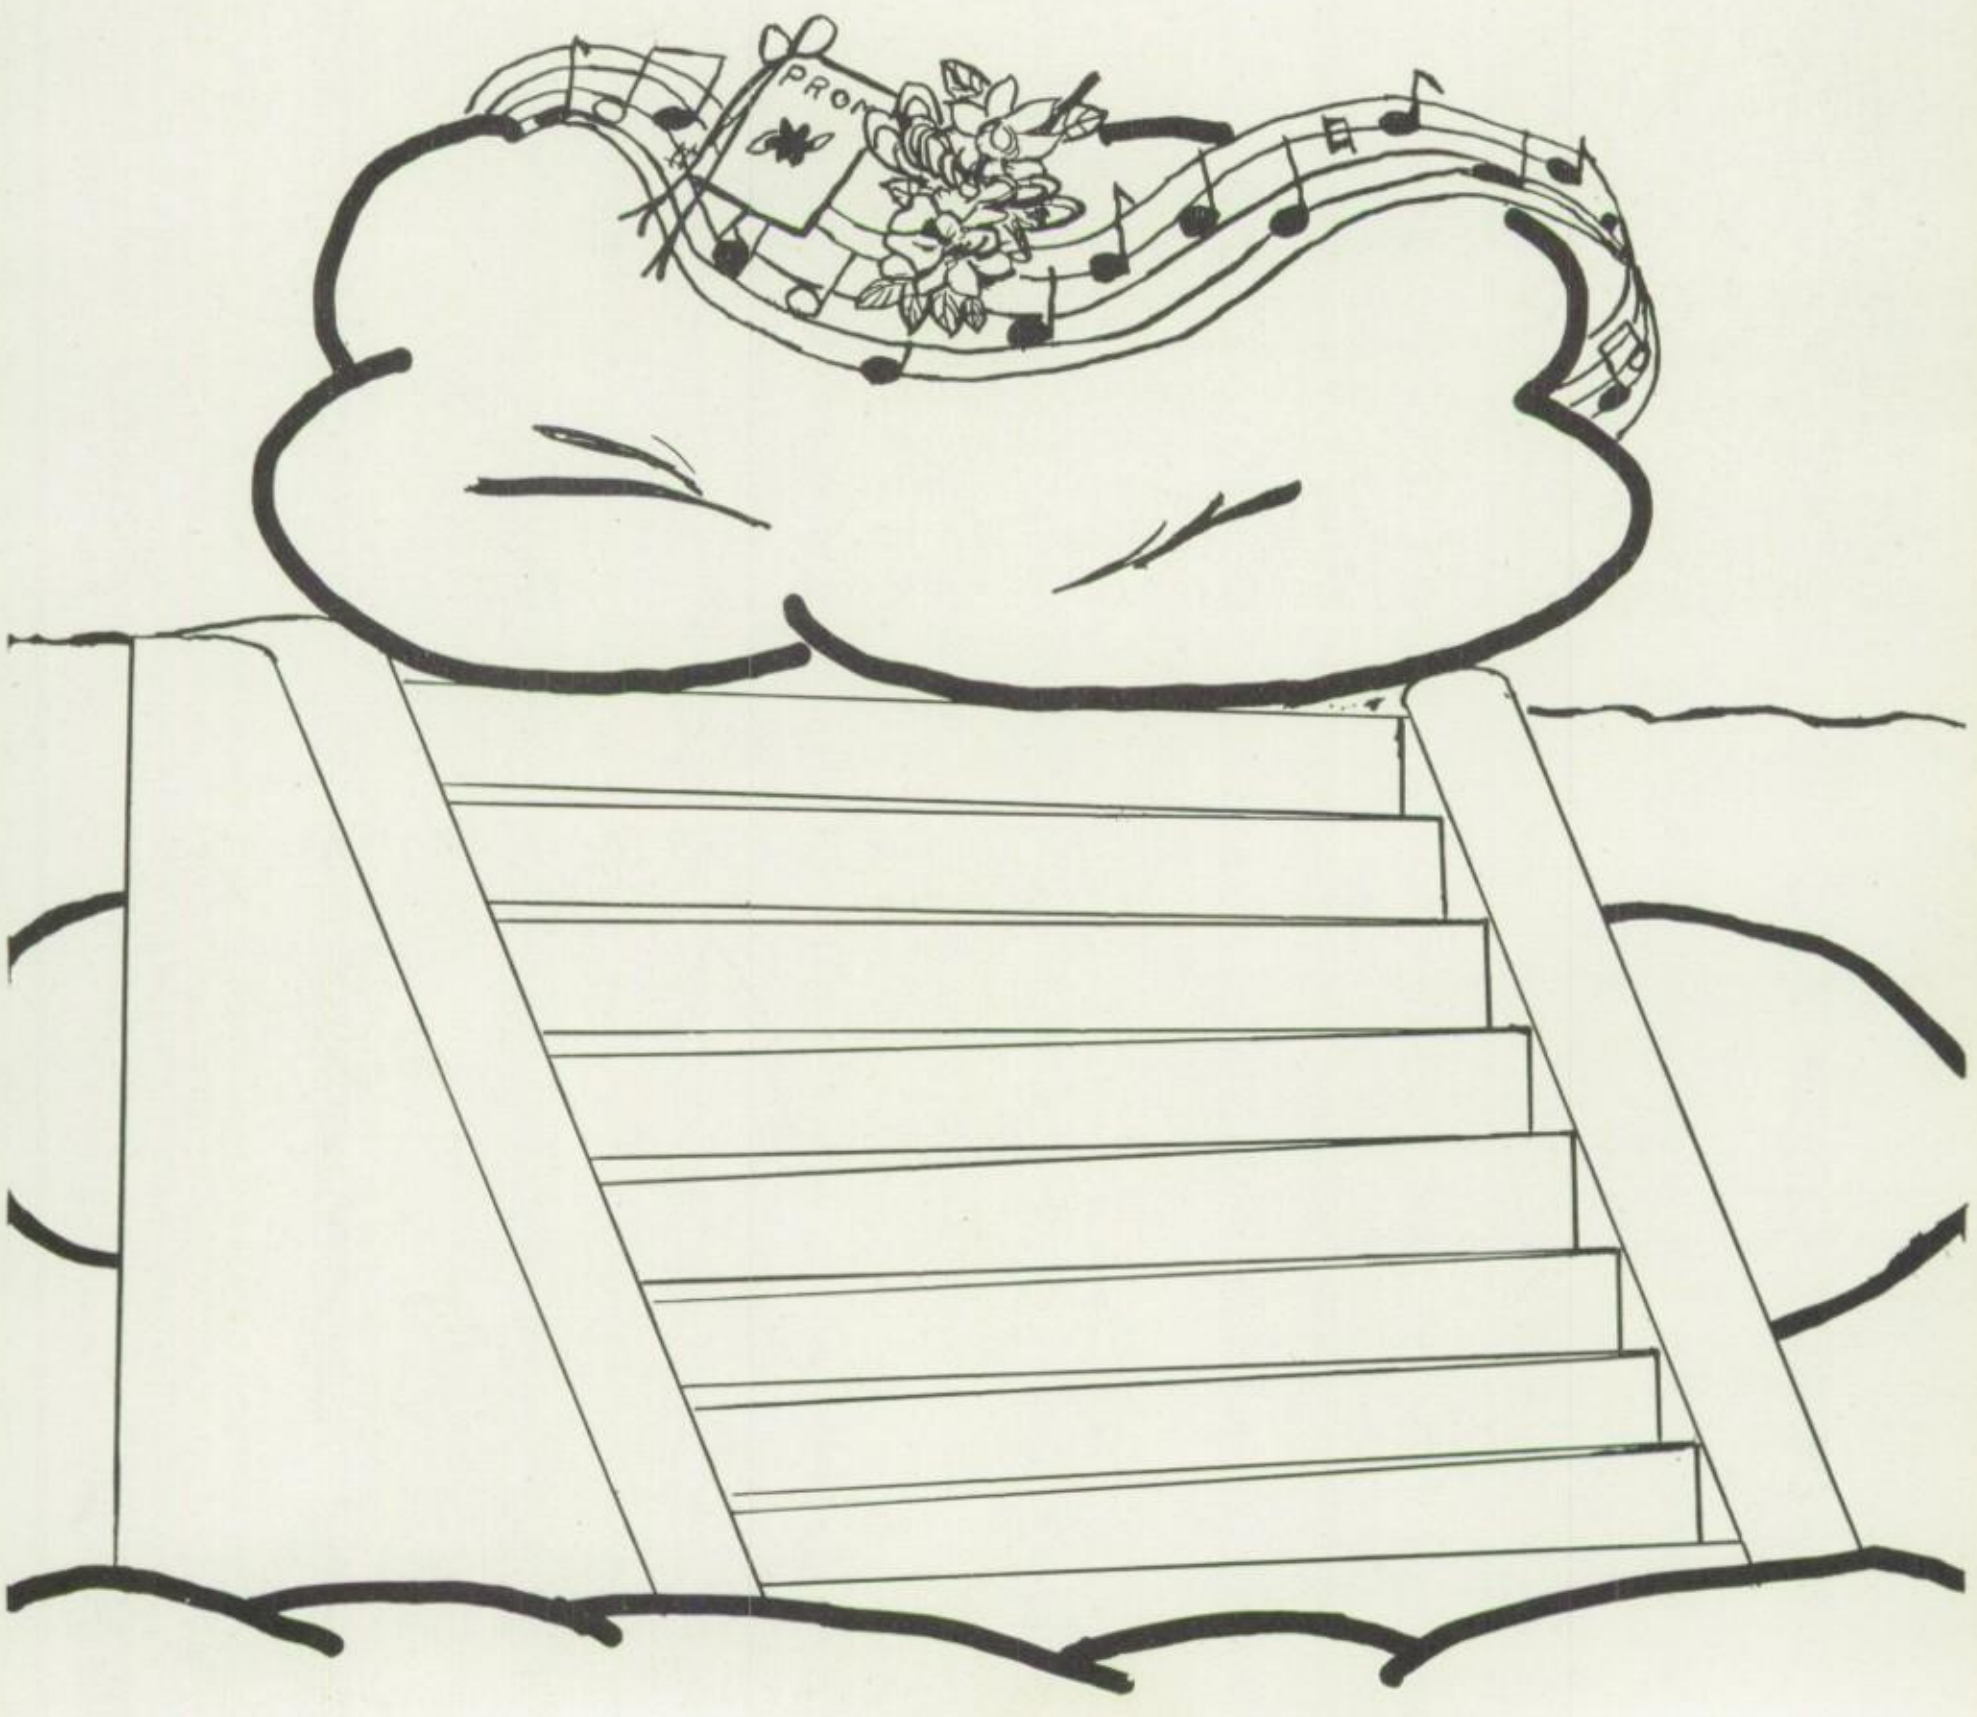
Senior Cheerleaders



Junior Cheerleaders

Many of the functions of the school are a responsibility of the cheerleaders. The cheerleaders encourage school spirit and cheer the boys on to victory at football and basketball games. The cheerleading squad consists of six senior girls and six junior high school girls. There are two girls chosen from each grade beginning with the seventh grade.

DANCES



Merry Christmas

"Merry Christmas to All" set the atmosphere for the Christmas Dance, December 13, 1958. Red and white crepe paper was drawn to the center of the ceiling from which a snowflake glistened. The auditorium was surrounded by paper brick walls with a Christmas tree and fireplace along one side of it. The yule log burned cheerfully as the students, guests, and faculty enjoyed dancing to the music of the Accents. A candy store effect was used as the refreshment stand. Snowmen and candles decorated the tables.

To All

"My Fair Lady"

Miss Diane Sterner was crowned Queen of the Junior High Valentine Dance, February 14, 1959. She was crowned by Brenda Hollinger, who was the 1958 Valentine Queen. Her attendants were Joan Barton, eighth grade and Fredda Arentz, seventh grade. They were chosen by popular vote of their class-mates. They each received a corsage. The auditorium was decorated with hearts suspended from the ceiling. The theme was "My Fair Lady." Music was provided by the L.H.S. Dance Band, under the direction of Mr. Epler.

FAIRYLAND

On April 26, 1958, seniors, juniors, guests, and faculty enjoyed music in Fairyland by The Keysmen. Stone walls and towers enclosed the courtyard of the Fairyland castle. Inside was a wishing well and a gingerbread house from which refreshments were served. Two large Humpty Dumpties reclined on the stage gazing over the happy couples. Draped pink, green, and yellow crepe paper covered the ceiling and a moon revolved in the center. As a remembrance of the Prom, each girl received a leprechaun from Ireland. An all night party sponsored by the Junior Chamber of Commerce was held at Rolling Acres for all those attending the Prom.
